Objective of the Committee	:	Help clubs to plan to have proper Club Byelaws and constitution. To guide clubs to amend their constitutional documents reflecting the changes as recommended by the Council of Legislation and approved by RI. Also help clubs frame the Trust Deeds for their charitable trust.
What Clubs should do	:	Each Club has to be managed and run as per the set principles and guidelines as prescribed by Rotary International. This improves general administration and avoids conflicts. Rotary International recommends constitution & byelaws. While no changes are permitted in RI recommended byelaws, individual Club may have different byelaws provided such changes are not out of harmony with standard RI byelaws and code of policies. Periodically these have to be amended as approved by RI. Trust Deeds may need modification sometimes to reflect changes in environment. The clubs Constitution and Byelaws should be circulated to all members and new members should be given a copy upon induction.
