

Global Warming

Name of Committee	:	Global Warming
Name of District Chairs	:	Manish Motwani Dr. Deepak Jiandani Manhar Mandaliya Shailesh Haribhakti
Objective of the Committee	:	<p>Our vision in Rotary is "to actively contribute to the social and economic developments of the society". While education, healthcare and sustainable livelihood has been our focus area for a longtime, it is high time that we throw attention on Global Warming.</p> <p>We have pledged ourselves to this mission and need I tell you that our success depends a whole lot on your participation. While we are dedicating our heart and soul towards this project, it is our beloved Rotarians, R Anns, Rotaractors and Interactors who will bring about the much needed difference. I would like to draw upon your strength and call for a concentrated effort from all of you out here for the success of this Mission.</p>
What Clubs should do	:	<p>Spread awareness about the problem of Global Warming</p> <p>Motivate Rotarians and create a group of Rotarians who can spread the message of global Warming in the community.</p>
List of Clubs having such projects	:	<p>Projects done and planned by Team Global Warming</p> <p>Informative lectures on Global warming going as guest speakers</p> <p>Save Energy campaign where in association with Tata Power, we are sensitizing people to save power and energy by various means and the theme is 'The Less you use – the more you gain'</p> <p>Rotary Green Earth Summit – International conference on Global Warming</p> <p>Formed the Earth National Anthem which has to be recited by every club at the end of every meeting.</p> <p>Sent the 'Earth National Anthem' to various schools, colleges and NGOs</p> <p>Tree plantation done this year - approx 11200 saplings were planted in association with Indian Medical associations, Lions clubs, Inner wheel clubs, Sudanshu Maharaj sanstha etc.</p> <p>Lectures on Global Warming prevention given in various corporates likes Edelweiss, WNS, Nomura, CEAT ltd etc</p> <p>Lectures on Global Warming prevention given in 42 schools as on 15th Oct 2009.</p> <p>Cycle chalao campaign to be launched on 3rd Jan 2010 in association with other NGO like I- initiate</p> <p>Climatathalon – Cycle rally finalized on 3rd January 2010 which is the 'WORLD RESPONSIBLE YOUTH DAY'</p> <p>Distributed booklets on Global warming made of recycled paper.</p> <p>This year from July 2009, approx 1lakh booklets have been distributed to various schools, colleges, in buses, in trains and in various corporates</p> <p>Poster exhibition in schools on Global warming</p> <p>Formed a website: www. Earthsavercrew.com which would be a informative site on global warming</p>
