

Hepatitis Awareness & Prevention

ok

Avenue		Medical II
Avenue Chairs		Advisor : PDG Dr. Shrish Sheth Chairman : Darshana Doshi Co Chair : Anil Kamath Co Chair : Krishna Kumar Dr Co Chair : Raj Harjani Dr Co Chair : Trilochan Singh Dr
District Chairs	:	Ashok Vyas Dr Deepak Honale Dr
Objective of the Committee	:	The object of the committee is to create an awareness of Hepatitis B in the slum areas. To ensure that the underprivileged children get basic medical facilities such as Hepatitis B for prevention of Hepatitis to inoculate them with the vaccine. For this 3 Injections are given at an interval of 0, 1 & 6 months. We have chosen Sri Sri Ravi Shankar school in slum areas of Dharavi. There are totally 140 Children between the age of 6 & 12. First inoculation will be on Friday the 28 th of January '10, at 1:30pm at the school premises. DG Raju Subramanian will inaugurate the project. It's a district project. 3 Clubs have joined hands together namely RC of Bombay West, RC of Mumbai North Island & RC Juhu Beach
What Clubs should do	:	The club should arrange more lectures in schools. The aim for the future should be to promote awareness of Hepatitis in such a way that no underprivileged kid should ever die due to lack of proper medical care. To achieve there should be a better coordination between members of the club and more and more Rotarians should participate in this cause.
List of Clubs having such projects	:	RC of Bombay West, RC of Mumbai North Island, &RC of Juhu. Beach.
