Objective of the Committees	:	To have as many members as possible from diverse classification. To increase Membership through seminars and Rotary related programs in public.
What Clubs should do	:	Clubs can hold meetings of prospective members and give information Rotary and of the work done by Rotary. Then if they feel they can fulfill the criteria of a Rotary membership they can be invited to join. Membership Retention is a very important activity of a club. Regular interaction should be held with all the members to understand if they are facing any difficulty in their membership. . These issues can then be resolved within the framework of Rotary constitution
