Objective of the Committee	:	India is a young country and the future belongs to youth. The youth of today would be the decision makers in 2030 and they will shape the future of this country. An amalgam of the power and enthusiasm of the youth and the wisdom of the Senior and Elderly population could set the right tone to a pragmatic vision for the youth. This would lay a good foundation for the balanced development of the country.
What Clubs should do	:	The club should organise One-Day Conference where an array of speakers would address the youth of the various aspects.
