Objective of the Committee	<p>: The Rotary Foundation's educational programs support Rotary's mission of world understanding and peace by educating the leaders of the future. Rotary Peace Fellows are graduates of the Rotary Peace Centers. They will be a part of tomorrow's solution in promoting greater tolerance and cooperation among people worldwide.</p> <p>Rotary is working for a better tomorrow thru another set of programs by offering 2 courses to eligible individuals</p> <p>1: Short Term program as per details given below 2: Long Term [upto 2 years] Masters Degree Fellowships at 5 leading Universities around the World</p> <p>Short Term Program [13 weeks] Certificate program at the Chulalongkorn University Bangkok. For the short term program participants in the program are professionals in mid- to upper-level positions in the governmental, non-governmental, academic, corporate, law enforcement, armed forces, medical, or media fields</p> <p>Up to 25 program participants are selected for each program session with two sessions offered annually from July-September and January-April. These participants embark on three months of intensive study with instruction by some of the leading specialists in the conflict resolution field. The intensive course includes both theoretical and practical fieldwork components</p> <p>The cost of the program is approximately US\$5,000 for individuals requiring housing in Bangkok and US\$2,500 for individuals not requiring housing in Bangkok. This is also covered by The Rotary Foundation. These fellowships are available so that individuals from low income regions and organizations, which are often the very areas and organizations in need of this training, have the</p>
